

## A674 - CT200 AHR13 Leather Cut Glove

**Kolekcja:** Cut Resistant

**Grupa produktów:** Gloves

### Informacja o produkcie

CT200 cut resistant gloves include maximum cut protection, radical low light visibility and premium cut resistant features. Leather palm makes this glove ideal for glass handling and working with hot items up to 250°C for short periods. 13-gauge liner ensures an excellent fit. Reflective label increases glove visibility in low light conditions.

### Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
