### Informacja o produkcie

The advance Oak trouser has all the protection you need with 6 layers to the front and back of each leg. Designed especially for use in the forestry industry, this style offers excellent breathable and water resistant properties. Plus added comfort of an elasticated back waist and stretch fabric.

### Oak Chainsaw

The outer fabric is 65% Polyester, 35% Cotton, 245g. This is highly durable and has a water repellent finishing. The certified styles have nine layers of protection to the front of each leg. This material adds superior protection, breathability and comfort.

### Workwear

The Workwear Collections offer a range of designs and features suitable for many end uses. Only the best quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.

### Cechy

- Stretch ripstop provides superior comfort and increased freedom of movement
